

# Manitoba Communities in Bloom

## Provincial Conference and Awards Ceremony Bloom Ratings and Special Mentions 2019

**Congratulations to all participants in the 2019 *Manitoba Communities in Bloom* program!**

The Manitoba Communities in Bloom program provides a comprehensive evaluation beneficial to community development. It encourages all sectors of the community to work together to develop best practices to achieve clean, green sustainable communities that celebrate their heritage and unique potential.

Communities are evaluated on their accomplishments in six judging criteria which focus on creating a vibrant community - a great place to live, visit and conduct business. These categories are: Tidiness; Environmental Action; Heritage Conservation; Urban Forestry; Landscaped Areas; and Floral Displays with involvement by all sectors of the community being a component in all categories.
